Vintage Car Club Here

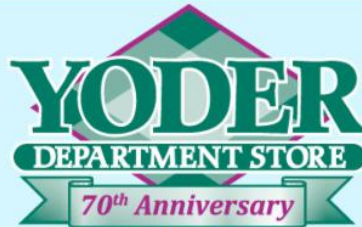

Sat., August 1, 9 am - 2 pm

Greetings!

Summer is well underway, and here in Shipshewana that means great finds at the Flea Market and antique markets, lots of fresh produce at stands and shops, and our annual sandal sale!

Before we get to those details, we'd like to give a huge Thank You to you, our customers for your business! This year we celebrate 70 years in business and though none of us were here at the beginning, we acknowledge that none of this would be possible without the patronage of our guests! In 1945 who could have imagined what business would look like 70 years later - selling products [online](#), snapping photos with our phones for [social media](#), and communicating via [email](#)! BUT one thing has remained the same, and that is that we strive to provide our guests with a good experience. Our friendly, knowledgeable service associates strive to provide the same level of service and caring with all our guests whether or not you are physically in our store.

Thank you for 70 GREAT YEARS!

It's time for the **Row by Row Experience** again! Simply visit any participating shops from June 21 - September 8, 2015 and **ask for your FREE row pattern.*** Our row "Summer Irrigation" is available as a kit or you can personalize it with your own colors.

If you complete our row and post it online, be sure to tag it with #Buggy4Quilts so we can all see your great work (and connect with our **Facebook** and **Instagram**)! Also check out the **Indiana Row by Row Experience Facebook page** for pictures and updates on local winners.

When you stop by, make sure to snap a picture in our "American Gothic"-style photo booth with Farmer Bob, our Bobbin the Robin mascot! Buy the pattern here to make your own Bobbin, then enter **the contest** with your picture! Winners will be chosen from all 50 states!

Visit www.rowbyrowexperience.com for more information, to learn how to win a 25 pack of fat quarters, and see a complete list of **participating shops**.

*You will have until September 8 to pick up your free pattern. After that, the 2015 pattern and kit will be available online and in-store beginning November 2. (This goes for all participating shops. Patterns will not be available for purchase between September 9 and October 31 when the contest concludes.) Until then, you may still purchase our popular 2014 row "Shipshewana Summer" and each of the other seasonal variations **online!**

Exclusive Fabric Panel

During the **Shipshewana Quilt Festival** in June we unveiled our exclusive

fabric for 2015! It's a beautiful rendering of local barn quilt murals on a large panel made for us by Wilmington Prints. Get your panel, then pick up a [LaGrange County Barn Quilt Trail](#) map at the Visitor's Center to see them in person!

Clothing, Home, & Accessories

To commemorate our 70th Anniversary we created an exclusive vintage-style towel that we're pleased to share with you! Featuring the iconic windmill with buggies parked below our barn quilts, you can take home a little piece of Shipshewana history!

Toweling by the yard is perfect to make your own towels or adorable cottage-style curtains! Check out this display (including our exclusive 70th Anniversary towel) next time you're in and imagine the possibilities!

Get your layers on! We have some great dresses, jackets, and lightweight sweaters perfect for layering on warm days with cool nights! Or for surprisingly cooler days like we've experienced some this summer!

As much as we don't want to think about it, Fall is just around the corner! New styles are already coming in, and they are great! As always, Carter's and Osh Kosh have sweet styles for the little ones, and for the young-at-heart, we love our Darn Tough socks! This is a brand that we just started carrying in the

last year, and though they cost more upfront than your average sock, they are backed by a manufacturer's Lifetime Guarantee and they are made in Vermont!
