said, we want to invite you to shop with us for everyone on your Christmas list. There is something for everyone on your list. Yoder Department Store carries it all!

FABRIC

Coming Home.

This new Moda fabric collection was designed by Deb Strain and is absolutely adorable. What a wonderful way to turn a unique panel into a full-size quilt!

Fun Fact: A Yoder Department Store exclusive fabric panel depicting Shipshewana inspired scenes designed by Deb, was unveiled during the 2011 Shipshewana Quilt Festival and coordinates beautifully with many of the “Coming Home” prints.

Felted Wool Charm Packs. Wool is back! There are many wonderful patterns and projects featuring wool and Yoder Department Store has met this new trend with an expanded collection of felted and felt-able wools. We noted however, that for those newly bitten by the wool bug, even a small project can be costly. This is because felted wool projects often take small pieces of many colors and purchasing small widths of yardage in each color adds up fast. We decided to help you start your wool stash with charm packs. Coordinated in several color families, these packs contain twelve 6” pieces of felted wool. These 6” pieces will accommodate many of the smaller cuts required in appliqué patterns and are only \$11.98 per pack. (Purchasing 12 strips of 6” wide yardage would cost an average of \$53.99)! These affordable bundles are a big hit already!

Artist of the Month. We are re-launching an artist of the month program where *each month a fabric artist is selected to be featured in our store and on our website.* Each artist will be highlighted with a photo and a bio, along with at least one of their completed projects. Be sure to check out this display the next time you visit us in person or on our website. If you would like to apply to be an artist of the month, please contact us for details.

What’s coming? Keep an eye on our website for new 2012 classes to be announced soon!

Why Not Enter The Gingerbread House Contest?

This easy gingerbread dough recipe works well for houses and cookies. A cake mix is the secret ingredient. But don't forget to

refrigerate for two hours before rolling. It's a lot easier to work with.

Makes enough Shortcut Gingerbread Dough for 1 house or 14 (6-inch) gingerbread men

Prep Time: 10 minutes Cook Time: 10 minutes

Total Time: 20 minutes Ingredients:

- 1 package spice cake mix
- ½ cup all-purpose flour
- 2 eggs
- 1/3 cup oil
- 1/3 cup molasses
- 2 teaspoons ginger

Preparation:

1. In a large bowl, combine all ingredients, mixing well. The mixture will be soft. Wrap in plastic and refrigerate 2 hours.
2. Heat oven to 375 degrees. Cut parchment paper to fit your baking pans. Roll the dough directly on the parchment paper (but not on the pan).
3. Using pattern pieces or cookie cutters, cut out leaving a 3-inch space between pieces. Lift the parchment paper by opposite corners and place on the baking pans.
4. Bake 8-10 minutes or until edges just start to brown. Cool completely on baking pan before removing. Decorate or use to build a house.
