To make it a bit more fun Cushe actually decided to make the shoe look like a cocoon, with the two outsoles fitting together and held together with a recycled rubber wristband.

The Shucocon is just one of many items we are offering from Cushe Brand Footwear.

Touchdown Treat Football Cookies

Everyone on your team will want to be eligible receivers for these winning football player cookies!

To make...

- Cookies
- (Try large Archway oatmeal cookies)
- Frosting
- Food Coloring
- M&M’s Minis
- Black decorator gel
- Black licorice

Spread a thin layer of frosting on a large, soft cookie. Remove a square from the side of a second cookie to create a helmet shape and set it atop the first.

Coat the helmet with frosting tinted the color of your Dad’s favorite team, then add eyes (M&M mini’s) with black decorators’ gel dots, a black string licorice face mask, and 2 more M&M’s Minis for the helmet’s ear holes.

He can enjoy the cookies as he hopes and dreams the NFL strike will be over in time to watch the games this fall.
